

Trickling trough?

The Cartref team offers **FREE repairs for leaking toilets and water efficiency visits**. We're now also running a dedicated service to help fix **trickling troughs**.

Can I get financial help if I have a trickling trough?

Yes – if eligible. If you think you may have a leak, firstly contact the team to arrange a free fix. You can also find more details here on eligibility for an allowance and how to get in touch. Getting in touch early can help prevent higher bills and avoid further damage.

Think your trough might be leaking?

Simply scan the QR code below to get in touch. We'll check the issue and let you know if we can fix it **free of charge** – helping you **save time, water, and money**.
